CHECKLIST FOR THE COMPLETE APPLICATION

- ✓ The entire application must be in English (unless previously agreed differently with the ÖAW).
- ✓ Please sign the application form by inserting your scanned signature (e.g. as JPEG or GIF file) in the signature field!
- ✓ The complete application (no protected or scanned documents) containing the signed application form, project description and annex must be submitted by the Responsible PI by email to guenter.koeck@oeaw.ac.at by 13 August 2018. Filenames should consist of the project acronym (or the name of the Responsible PI) and consecutive numbers (e.g. SNOW-1, SNOW-2).
- ✓ The application may contain a list of undesired reviewers ("negative list"). This means that applicants may name a maximum of three potential reviewers who are believed to have possible biases and should be excluded from the review process.

Please note that your data and documents submitted for the ESS call will be processed for the purpose of evaluating your application, for the selection process and – in case of selection – for the administration of the grant. Your data will be stored as long as legally requested or necessary for the administration of the grant.
