BY PUBLIC TRANSPORT

The public transportation system in Vienna is very good and usually safe. Single and bulk tickets are available at underground stations and tobacconist's. Tickets should be stamped at the entrance to underground stations or inside the tram cars. If you don't have too much luggage, we recommend using the public transportation system (though taxis are also reliable).

The underground and tram stops which are closest to our location are:

- **Underground station** *Taubstummengasse* on the U1 (red).
- **Underground station** *Karlsplatz* (*Technical University of Vienna, TU Wien*) on the U2 (purple/violet) or U4 (green) line and U1 (red).
- **Trams:** Number 1 or 2 *Schwarzenbergplatz* (if you are coming around the *Ring*), and tram D. For Number 1 or 2 you should get off at the *Schwarzenbergplatz* stop. Proceed to *Prinz-Eugen-Straße* and turn right into *Wohllebengasse*. With tram D, we recommended to get off after *Schwarzenbergplatz-Ring* at the tram station *Gußhausstraße*.
