

Program

18 February 2026

MBI ALICE Masterclasses 2026

Vienna, PSK 3A.1

Table of contents

1

Wednesday 18 Feb

Morning session	1
Lunch	1
Afternoon session: Afternoon session	1

Wednesday 18 February

09:00

Morning session

Session

09:00–09:10

Welcome

Speakers

Elisa Meninno, Romain Schotter

09:10–09:55

Particle Physics in 45 minutes

Speaker

Elisa Meninno

09:55–10:05

Break

10:05–10:50

Accelerators and detectors

Speaker

Gianni Shigeru Setoue Liveraro

10:50–11:00

Break

11:00–12:00

ALICE Experiment - Questions and Discussion

Speaker

Stefanie Mrozinski

12:00

12:00

Lunch

Break

13:00

13:00

Afternoon session: Afternoon session

Session

13:00–13:30

Introduction into data analysis

Speaker

Jesper Karlsson Gumprecht

13:30–14:00

Data analysis part 1

14:00–14:30

Discussion of the results / break

14:30–15:00

Data analysis part 2

15:00–15:30

Discussion of the results / break

15:30–16:00

Preparation for the videoconference with CERN

16:00–17:00

Videoconference with CERN

17:10

17:00-17:10

Farewell
