

## Curriculum vitae

- since 2017: Research Scientist, Institute of Interdisciplinary Mountain Research, Austrian Academy of Sciences IGF-ÖAW, Innsbruck, Austria
- 1996 – 2015: Post-Doc and scientific collaborator at the Institute of Zoology and Limnology, at the Institute of Ecology, and at the Institute of Geology, all at University of Innsbruck, Austria
- 1996 – 1998: EU Marie Curie Post-Doc, Institute of Zoology and Limnology, University of Innsbruck, Austria
- 1995 – 1996: Scientific collaborator at Gewässerkataster GuG, Potsdam, Brandenburg, Germany
- 1995: Dr. rer. nat., University of Freiburg, Germany
- 1988 – 1995: PhD studies in Biology with focus on Limnology, University of Freiburg, Germany
- 1987: Diploma in Biology (Limnology, Microbiology, Paleontology, Soil Science) University of Freiburg
- 1979 – 1987: Diploma studies in Biology, University of Freiburg, Germany

## Research projects

- 2019 – 2023: *Snow chemistry Tyrol*
- 2017 – 2019: *Atmospheric deposition*
- 2009 – 2015: Austrian Academy of Sciences Project: (*PermaFrost*), EU-Interreg-Projects: *PermaNet*, *PermaAqua*
- Austrian Permafrost Research Initiative: *PermaFrost*
- Permafrost monitoring network: *PermaNet*
- *Permafrost and its impacts on water resources and freshwater ecology in high mountain regions: PermaAqua*
- 1996 – 2009: 5 EU-FP4 & FP5 RTD projects: *MOLAR*, *REFLECT*, *EMERGE*, *CLIME*, *EUROLIMPACS*
- *Mountain Lake Research (MOLAR)*
- *Response of European freshwater lakes to environmental and climatic change (REFLECT)*
- *European mountain lakes – regionalisation, diagnostics and socio-economic evaluation (EMERGE)*
- *Climate impacts on lakes in Europe (CLIME)*
- *Integrated project to evaluate the impact of global change on European freshwater ecosystems (EUROLIMPACS)*
- 1995 – 1996: *Monitoring of oligo-mesotrophic freshwater lakes in Brandenburg, Germany*, EU-Life project
- 1985 – 1987: *Monitoring of Acid Rain impacts on mountain freshwaters in the Northern Black Forest*, Project of the Federal Environmental Protection Board, Berlin, Federal Republic of Germany
