

2019
Vienna, May 15-17, 2019

14th MICROSYMPOSIUM on Small RNA Biology

Scientific organizers:

**Luisa Cochella, Stefan Ameres,
Julius Brennecke, Javier Martinez
& Michael Nodine**

- Julie Claycomb** University of Toronto
Luisa Cochella Institute of Molecular Pathology
Brian Gregory University of Pennsylvania
Helge Grosshans Friedrich Miescher Institute
Steve Jacobsen University of California, Los Angeles
Scott Kennedy Harvard Medical School
René Ketting Institute of Molecular Biology
Claudia Kutter Karolinska Institutet
Markus Landthaler MDC Berlin
Laura Landweber Columbia University
Katharina Markmann University of Tuebingen
Eric Miska University of Cambridge
Zissimos Mourelatos University of Pennsylvania
Amy Pasquinelli University of California San Diego
Peter Sarkies MRC London Institute of Medical Sciences
Alena Shkumatava Institut Curie

Apply for PhD Student Workshop!

Talks will be chosen from abstracts submitted until April 5th 2019
under www.imba.oeaw.ac.at/microsymposium

Technology & Application Talks with Speakers from Industry

Attendance is free

Please register online until May 2nd 2019 | Follow us: facebook.com/microsymposium
