 ORCID ID: <https://orcid.org/0000-0002-8217-9803>  
 Researcher ID Web of Science: AAS-2264-2021

### Special Skills

Living across different places, cultures and languages I have learned to communicate and translate. Working in academic spaces as well as rights-based organizations there was always a need to mediate and moderate, so I learned to be a bridge across disciplines and professional spheres. I am a curious learner and engaged educator, in fact I believe learning and teaching are two sides of the same coin.

### Education
