The images which are provided for publication may only be used for the specified theme and purpose, and may not be provided to a third party without the express of the Austrian Archaeological Institute (OeAI) of the Austrian Academy of Sciences (OeAW).

For the use of images, the legal conditions regarding the protection of copyright laws and right of publication are to be followed. In the case of any violations in this regard, the individual making the request is solely responsible. In the list of illustrations and/or image credits, the image code and/or the Inv. A specimen copy of the publication or unpublished thesis in which the illustration is used is to be provided free of charge and unsolicited to the Austrian Archaeological Institute; in the case of online-publications free access is to be provided. Specimen copies and online-publications can also be provided to the OeAI in form of pdf-files.

The invoice for reproduction costs for images is to be paid within 14 days after receipt of the invoice. The amount of the fees can be found on the homepage (https://www.oeaw.ac.at/en/oeai/institute/units/archives-and-image-database/). Usage for scientific purposes is free of charge.

Image files for commercial use, which are accessible over the APA-PictureDesk (http://www.picturedesk.com/bild-disp/apa/de/home.html) should be obtained directly via this platform, in compliance with the conditions specified there..

I agree to comply with these conditions of usage.
