

Job ID: OeAI174AS124

The Austrian Archaeological Institute ([OeAI](#)) of the Austrian Academy of Sciences ([OeAW](#)), the largest non-university basic research institution in Austria, is offering a position as

ACADEMY SCIENTIST (F/M/X)

(full-time, 40 hours per week)

in the “Epigraphy” working group of the Department of Classical Studies, starting February 01st, 2025.

Your tasks

- Conduct research in Greek Epigraphy with a particular focus on Asia Minor.
- Preparation of a publication in the research group series (TAM, ETAM, "Veröffentlichungen zur Epigraphik"), aiming for completion within two years
- Administrative support to the Epigraphy research group (formerly "Asia Minor Commission"), including editorial management of submitted manuscripts

Your profile

- PhD in Ancient History or Classical Philology
- Experience in editing inscriptions
- Thorough knowledge of ancient Asia Minor
- Excellent command of Ancient Greek and Latin, as well as very good knowledge of the common conference languages (German, English, French, Italian), preferably also Turkish

We offer

- Outstanding opportunities to engage in autonomous scientific research in a vibrant research environment
- A minimum annual gross salary of € 66.501,40 according to the collective agreement of the Austrian Academy of Sciences

The position will be advertised until the end of 2026, with the intention of starting the contract in February 2025.

The documents required for application comprise (1) curriculum vitae, (2) a list of publications, (3) evidence of your research experience (max. 2 pages), (4) academic certificates and (5) at least two references or full contact details of possible referees, (6) letter of application (max. 2 pages).

Please submit your application in PDF format, citing the Job ID: OeAI174AS124, **no later than December 7, 2024** to oeai-personal@oeaw.ac.at.

The Austrian Academy of Sciences (OeAW) pursues a non-discriminatory employment policy and values equal opportunities, as well as diversity. Individuals from underrepresented groups are particularly encouraged to apply.
