### Conference Proceedings

The Organizing Committee will take care of the publication of the conference proceedings which will include posters as well as the papers presented during the conference.

### Submission of Abstracts

Abstracts can only be submitted online. Please follow this link for online submission:

[https://express.converia.de/frontend/index.php?folder\\_id=3414](https://express.converia.de/frontend/index.php?folder_id=3414)

You are asked to create a new account first, then you will be guided through the five-steps submission process.

The text should be between 200–400 words (in English). It should include: abstract title, full name/s of the author/s, their institutions and e-mail addresses, as well as three keywords. The content should aim at presenting the subject matter, the objectives, the results and the conclusions of the research.

Deadline: December 15, 2020 **Deadline extended to February 28, 2022**

### Reviewing of the abstracts

The abstracts will be assessed by a team of reviewers composed by experts in the relative subjects according to quality and originality for acceptance. Following that and based on criteria such as state of completion of the work, innovation, wider interest etc. they will be selected for oral or poster presentation.

Author notification: March 15, 2021 **New date is April 15, 2022**

For each accepted paper (oral or poster), at least one author has to register in full and be present at the conference. Posters sent by post, or brought to the conference by other people will not be accepted.

### Oral Presentations

The oral presentations cannot exceed 15 minutes and will be followed by 5 minutes of discussion.

The participants are kindly requested to use ppt, pptx or pdf as formats. Your presentation can only be submitted online. Please follow this link for online submission:

[https://express.converia.de/frontend/index.php?folder\\_id=3414](https://express.converia.de/frontend/index.php?folder_id=3414).

Login to your account and upload your presentation. The upload will be possible until September 19, 2022.

### Posters

There will be two special poster sessions during the conference of 2 hours each. In addition, the posters of each session will be on display during the complete conference so that they can be also visited during coffee and lunch breaks.

The poster size will be A1 (width 594 x height 841 mm).

### Norman Herz Student Poster Prizes

The ASMOSIA Association is pleased to offer the Norman Herz Student Poster Prizes, named after the late first ASMOSIA president. It will be awarded to the best two student posters and will consist of € 300 for the winner and € 200 for the second best.

Students who want to participate in the competition should declare this during abstract submission. The student posters will be evaluated by a group of experts appointed by the Executive Committee.
