GUIDELINES FOR ENGLISH-LANGUAGE MANUSCRIPTS

- **Text files** must be submitted as digital documents (ideally as 'word.doc/docx') and labelled <OREA_author_Text>.
  Please submit an ordinary 'word.doc/docx' file and apply as little formatting as possible. Do not CAPITALISE and do not underline words (for highlighting words use 'inverted commas'), no indentations, and no word-divisions.

- **Tables** should be submitted as separate word files labelled: <OREA_author_Table_01>, <OREA_author_Table_02>, etc.

- **Figures and plates** have to be submitted as separated files: preferably as TIF or in similar format (PSD, EPS, AI) for PC and labelled <OREA_author_Figure_01>, <OREA_author_Figure_02>, etc.; <OREA_author_Plate_01>, <OREA_author_Plate_02>, etc.

  Save black and white images in greyscale mode and colour images in CMYK (not RGB).

  Resolution: Line drawings: between 800dpi and 1200dpi.
  Photographs: between 300dpi and 450dpi.

  Set the precise measurements at which you wish the figures and plates to be printed:
  Width: preferably 75mm, 110mm or 150mm. Height: up to 235mm.
  Maximum figure and plate size 150mm × 235mm.

  In the case of multi-line legends (one line covers approx. 110 characters), the height needs to be shortened by 4mm per line; e.g. legend with three lines, max. image height 227mm).

- Indicate the most appropriate place where the figures shall be inserted into the text, e.g. by writing <INSERT FIG. 1 HERE> at the end of a paragraph.

- Authors are themselves responsible for obtaining the permission for publication and reproduction from copyright holders for all illustrations.

- The text file (with pages numbered at the bottom and centred) should contain the following information (in the following order):
  - Title of contribution (no footnotes in title)
  - Author(s) full name (with footnote providing affiliation and email address)
  - Abstract (min. 140 to max. 350 words) and five to eight keywords
  - Main text (including headings, subheadings and footnotes)
  - If applicable: Acknowledgments (following the main text)
  - References
  - If applicable: List of table captions
  - If applicable: List of figure captions (including figure credits)
  - If applicable: List of plate captions (including plate credits)
- ATTENTION: please notify us if you are using SPECIAL CHARACTERS, as there might be massive correction problems otherwise!
