

## 10<sup>TH</sup> ICAANE PUBLICATION GUIDELINES

The proceedings of the 10<sup>th</sup> ICAANE will be published by Harrassowitz Verlag. As with the previous ICAANE volumes the proceedings shall be put on display at the 11<sup>th</sup> ICAANE 2018.

Only papers that have been presented in one of the regular sections at 10<sup>th</sup> ICAANE in Vienna will be included. Papers presented in workshops will be published separately (and edited by the workshop organizers).

**Send section papers to [10icaane@oeaw.ac.at](mailto:10icaane@oeaw.ac.at)  
Deadline: September 30, 2016**

No papers will be accepted after the deadline!

If your paper was presented in a workshop, please, contact the organizers of the respective workshop for deadlines and further information.

Contributors are kindly requested to adhere strictly to the following **GUIDELINES**:

### **Text**

Office Word compatible, maximum 30,000 characters (including spaces, footnotes, summary, captions and bibliography).

All manuscripts shall be written in English (preferably), French, German or Italian and contain the following information:

- title of paper
- name of author
- complete affiliation
- short English abstract
- captions for all figures, plates and tables (including credits and necessary copyright information)

If a special font is needed for certain languages (e.g. Greek) please inform the editors and provide a pdf of how the final version should look.

References to figures, tables and plates within the text in brackets.

→ Text text text text text (Fig. 1).

Maximum two hierarchic levels of chapter headings.

Please, limit special formatting to a minimum.

Use footnotes sparingly or not at all.

### **Figures / plates / tables**

Tables, figures and plates must not exceed 4 pages in total (e.g. 8 half-page-size figures), all images in grayscale mode, min. 300 dpi, b/w line drawings min. 600 dpi (in printing size).

Figures and tables will be reproduced at the end of each paper. Note that the available page space is max. 19.5 × 13 cm, including the caption.

Please, send all images as separate files (no images in the Word document!) – allowed formats: TIF, AI, PDF, PSD, EPS.

The author has to possess the copyright and right to use to all parts of the work; this especially applies to images in the paper. Please clear all copyrights before handing in the paper!

### Citation style (as in former ICAANE publications)
