

Job ID: RICAM192PD221

The Johann Radon Institute for Computational and Applied Mathematics ([RICAM](#)) of the Austrian Academy of Sciences ([OeAW](#)), Austria's leading non-university research and science institution in Applied Mathematics, focuses on basic research in applied mathematics, and within the Institute mathematicians from all around the globe collaborate on common core areas in mathematical modeling, simulation, inverse problems and optimization. RICAM has proven to stand for excellence in research, as can be seen from a high level of publications and the popularity of the Institute's [Special Semesters](#) within the academic community. The Institute is offering a

POSTDOC POSITION (F*M)
in Applied Algebraic Geometry and Kinematics
(full-time, 40 hrs per week)

for a duration of 12 months. The position will be vacant starting from February 2022.

The full-time position within the framework of the FWF-funded project "Trajectories of motions" led by Dr. Niels Lubbes is affiliated with the Symbolic Computation Group at RICAM, located in Linz/Austria.

Your profile:

- Completed doctorate in mathematics.
- Strong background in (computational/applied) algebraic geometry, kinematics and/or rigidity theory.
- Experience in mathematical research at an internationally competitive level, in publishing results in internationally refereed journals of high quality, and in giving scientific presentations at international conferences and workshops.
- Strong skills of English.

Our offer:

- Excellent opportunities to work in a lively research environment and collaborate with international experts in the fields related to the project.
- We offer an annual gross salary of € 55.242,60 according to the salary scheme of the Austrian Science Fund ([FWF](#)).

Applications including a scientific CV, a short research statement, and references for possible recommendation letters should be sent by e-mail to niels.lubbes@oeaw.ac.at, mentioning Job ID: RICAM192PD221, **no later than January 20, 2022**. Late applications will be considered until the position is filled.
