

go!digital Next Generation 2018

How to submit your application?

- Applications must be made in English.
- Please submit the file „Short-Proposal“ for each application.

Please attach the following additional files to each application, depending on the number of applicants at least two documents per file:

- CVs
- Publications
- Signatures (including copy of the most recent academic degrees)

Please note:

CV

- Please fill out a separate document „CV“ for each applicant. All CV documents must be merged to one zip-file „CVs_(short project title/acronym)“.

Publications

- Please fill out a separate document „Publications“ for each applicant. All Publications documents must be merged to one zip-file „Publications_(short project title/acronym)“.

Signatures

- A separate document „Signatures“ must be filled out and signed by each applicant. All Signatures documents must be merged to one zip-file „Signatures_(short project title/acronym)“.
- Electronic signatures are permitted.
- The file „Signatures“ must include copies of the certificates of the most recent academic degrees of all applicants.
