Starting Soon: CoE DH Meeting feat. Matej Ďurčo

CoE DH Meeting feat. Matej Ďurčo

Cordial invitation to a special zoom session on **April 30, 2025 (Wednesday) at 13:30-14:30 CET.**

We will be joined by Matej Ďurčo, Head of DH Research and Infrastructure at the ÖAW ACDH-CH (Austrian Centre for Digital Humanities and Cultural Heritage), who has kindly agreed to come and explain what it means to work with research software engineers through the example of the ACDH-CH and to answer your questions.

This session aims to serve as a useful starting point as you think about your project planning and an excellent opportunity to clarify any questions or concerns (also if you

Georg Trakls letzte Reise by Ulrike Tanzer

Das Gedicht "Grotek" des österreichischen Dichters Georg Trakl gehört zu den bedeutendsten Texten, die das Grauen des Ersten Weltkriegs poetisch verdichtet beschreiben.

Im Gastblog skizziert Ulrike Tanzer, Professorin für Österreichische Literatur und Leiterin des Forschungsinstituts Brenner-Archiv an der Universität Innsbruck, die letzten Lebensmonate des Dichters und seine Beziehung zu Innsbruck.
