

CURRICULUM VITAE

DI Mag. Dr. Isabella Buber-Ennsner

Office

Wittgenstein Centre for Demography and Global Human Capital (University of Vienna, IIASA, VID/ÖAW)

Vienna Institute of Demography (VID)

Austrian Academy of Sciences (ÖAW)

Vordere Zollamtsstr. 3

1030 Vienna, Austria

Phone: +43 1 51581 7726

e-mail: isabella.buber@oeaw.ac.at

<http://www.oeaw.ac.at/vid/people/staff/isabella-buber-ennser/>

Personal data

Nationality Austrian

Date of birth 15 September 1966

Place of birth Ametten, Austria

Family status Married, two children (born 2002 and 2003)

Main areas of research

Family, Fertility, Forced migration

Education

1998-2002 Doctoral studies of Technical Sciences (Technical Mathematics) at the Vienna University of Technology.
Completion: June 20th, 2002 (Dr. techn.)

1988-1995 Study of Technical Mathematics at the Vienna University of Technology,
Specialization: Applications to Economics.
Completion: 30th October, 1995 (Dipl.-Ing.)

1985-1990 Study of Mathematics and French at the University of Innsbruck, the University of Vienna and the Vienna University of Technology
Completion: June 13th, 1990 (Mag. rer. nat.)

Professional career

Since 2008 Deputy research group leader of "Demography of Austria" at the Vienna Institute of Demography of the Austrian Academy of Sciences

Since 1996 Research scientist at the Vienna Institute of Demography of the Austrian Academy of Sciences

1995 Contract for work at the Vienna Institute of Demography of the Austrian Academy of Sciences

1990-1994 Teacher of Mathematics and French at upper secondary schools in Vienna, Austria

Research visits

2001/2002 Scholar at the International Max Planck Research School for Demography, Rostock, Germany

1998 Guest researcher at the University of Syracuse, USA

1998 Guest researcher at the University of Stanford, USA

1995 Scholar at Université Aix-Marseille II (Kurt Gödl scholarship)

Teaching

Since 2019 Lecturer at the University of Applied Sciences for Management & Communications, Austria

2015-2019 Lecturer at the University of Applied Sciences Technikum Wien, Austria

2009 Lecture on causal inferences and propensity score matching at the Summer Academy 2009 at the University of Bamberg, Germany

1996-2008 Lectures in mathematics and statistics at the University of Applied Sciences FH Wien, Austria

1996 Lectures in mathematics at the Institute for Economic Promotion of the Economic Chamber, Austria

Project Acquisition and project participation

2019-2020 „6. Österreichischen Familienbericht“ (chapter on the demographic situation in Austria) financed by Federal Chancellery, Republic of Austria

2016-2017 „Running against the clock? Realising family plans over the life-course“ financed by the Austrian Science Fund (FWF), Austria

2015 “Realisierung von Kinderwünschen in Wien“ financed by the City of Vienna, Austria

2012 “Ballung biografischer Ereignisse um das 30. Lebensjahr bei Hochqualifizierten und der Einfluss auf das generative Verhalten unter besonderer Berücksichtigung der Wege in die Kinderlosigkeit“ financed by the Procurement Agency of the Federal Ministry of the Interior, Germany

2010-2011 “SHARE-PERSONAs”, financed by the Austrian Research Promotion Agency (FFG), Austria

2007 “Gender gap in life expectancy” financed by the Austrian Science Fund (FWF), Austria

2001	“First births in Styria” financed by the Provincial Statistical Office of Styria, Austria
1998	Participation in the project acquisition „Geburten in Oberösterreich“, financed by the government of Upper Austria

Referee and consultancy

Referee for	Aging and Society, Applied Research in Quality of Life, Canadian Studies in Population, Comparative Population Studies, Current Sociology, Demographic Research, European Journal of Ageing, European Journal of Population, Feminist Economics, Journal of Family Issues, Journal of Nervous and Mental Disease, Journal of Research in Gender Studies, PLoS ONE, Population Studies, Sociology Compass, Statistische Nachrichten.
Scientific advisory	OECD, European Commission.
External expert	Worldbank, European Commission.

Scientific memberships

Population Association of America (PAA)
International Union for the Scientific Study of Population (IUSSP)

Language skills

German – native speaker
English – fluent in speaking, reading and writing
French – fluent in speaking, reading and writing
Spanish – basic comprehension
