General Information

Born 1988 in Dinslaken, Germany
Citizenship German
Educational Status Dr. phil. [Ph.D.]

Professional Experience

Since 04/2018 Research associate in ERC Consolidator Grant project
Project Levels and Trends of Health Expectancy: Understanding its Measurement and Estimation Sensitivity (LETHE)
Research Group Health & Longevity
Head Dr. Marc Luy
Institution Austrian Academy of Sciences, Vienna Institute of Demography in Vienna, Austria
11/2014–12/2017 Research associate at chair
Chair Social Structure & Sociology of Aging Societies, Institute for Sociology
Professor Prof. Dr. Martina Brandt
Institution TU Dortmund University in Dortmund, Germany

Scientific Education

Doctoral Studies

04/2015–05/2019 TU Dortmund University in Dortmund, Germany
Department Institut für Soziologie [Institute of Sociology]
Title Was misst Self-Rated Health? Die Basis gesundheitlicher Selbsteinschätzungen und Unterschiede nach Geschlecht, Alter und Kohorte in Europa und Kanada [What Does Self-Rated Health Measure? The Basis of Self-Ratings of Health and Differences by Gender, Age, and Cohort in Europe and Canada]
Reviewers Prof. Dr. Martina Brandt (TU Dortmund) & Prof. Dr. Peter Kriwy (TU Chemnitz)
Thesis grade Magna cum laude (very good)
Defense grade Summa cum laude (with distinction)
Overall grade Magna cum laude (very good)

Graduate Research Trainee

10/2017–03/2018 McGill University in Montréal, Canada
Department International Research Infrastructure on Social Inequalities in Health
Supervisor Prof. Dr. Amélie Quesnel-Vallée

Master of Arts Sociology

WiSe 2012/2013 – University of Duisburg-Essen in Duisburg, Germany
SuSe 2014 Main emphasis: Advanced research methods in the social sciences
28.10.2014 Master's thesis
Advisors Prof. Dr. Petra Stein & Prof. Dr. Anja Steinbach
Title Religiosität und Gender Ideologies: Eine Untersuchung des Einflusses von Religiosität auf Geschlechterrollenbilder [Religiosity and Gender Ideologies: An Examination of the Influence of Religiosity on Attitudes Towards Gender Roles]
Thesis grade Very good (1.0)
Overall grade With distinction (1.0)

Bachelor of Arts Sociology

WiSe 2009/2010 – University of Duisburg-Essen in Duisburg, Germany
SuSe 2012 Main emphasis: Research methods in the social sciences
14.01.2013 Bachelor's thesis
Advisors Prof. Dr. Anja Steinbach & Anne Keßler, M.A.
Title Die 'Intergenerational Stake Hypothese': Eine Überprüfung anhand neuer Daten [The 'Intergenerational Stake Hypothesis': An Examination with New Data]
Thesis grade Very good (1.3)
Overall grade Very good (1.5)

Acquired Projects & Funding

05/2018 – 06/2018 Non-Health-Related Influences on Generic Health Ratings: Comparing the Susceptibility of Self-Rated Health (SRH) and the Minimum European Health Module (MEHM) to Biases Due to Optimism, Hypochondriasis, and Social Desirability.
Type of funding Inclusion of questionnaire module in PUMA online survey (peer reviewed)
Foundation/Funder Plattform für Umfragen, Methoden und Empirische Analysen [Platform for Surveys, Methods and Empirical Analyses] (PUMA)
Project Head & Principal Investigator Dr. Patrick Lazarevič
01/2017 – 12/2017 Wahrheit oder Bericht? Die Messung von Gesundheit im Rahmen vergleichender Analysen [Truth or Hot Air? Health Measurement in Comparative Analyses].
Type of funding One year research grant (peer reviewed)
Foundation/Funder Mercator Research Center Ruhr (MERCUR)
Project Head Prof. Dr. Martina Brandt
Principal Investigator Dr. Patrick Lazarevič

Awards, Scholarships, and Short-Lists

02/2021 Junior professorship (W1) at Leipzig University, "Mikrosoziologie mit einem Schwerpunkt in Gesundheit" [Microsociology with a focus on health]: tertio loco (3rd place).
05/2019 Award: Poster Award at the 31st REVES meeting in Barcelona, Spain.
05/2018 Award: Poster Award at the 30th REVES meeting in Ann Arbor, USA.

- 10/2017 – 03/2018 Scholarship: Six-month foreign exchange scholarship for doctoral students for a research visit at McGill University in Montréal, Canada.
Advisor: Prof. Dr. Amélie Quesnel-Vallée
Foundation/Funder: Deutscher Akademischer Austauschdienst [German Academic Exchange Service] (DAAD).
- 11/2017 Award: Emerging Scholar Award at the 7th Interdisciplinary Conference and the Aging and Society Research Network in Berkeley, USA.
- 11/2014 Award: 'Studienpreis' [Study Prize] from Sparkasse Duisburg for outstanding study performance.
- 10/2011 – 09/2014 Scholarship: 'Deutschlandstipendium' for students.

With Children in the Household]. WSI GenderDatenPortal.

Work in Progress

Article Lazarevič, Patrick: Non-Health Effects on Self-Rated Health: Exploring Biases in Subjective Health Due to the Interviewer, Respondent, and Country of Residence. Draft ready for submission.

Article Lazarevič, Patrick & Amélie Quesnel-Vallée: Rating Health and Rating Change: How Canadians Rate Their Health and Its Changes. Draft in progress.

Article Lazarevič, Patrick & Amélie Quesnel-Vallée: Diagnoses vs. Discomfort: A Comparison of the Role Diagnoses and Biomarkers Play in Self-Rated Health. Analyses done.

Article Lazarevič, Patrick, Marc Luy & Martina Brandt: A New Approach for Quickly Measuring Generic Health: Does the Minimum European Health Module Outperform Self-Rated Health? Analyses done.

Oral Presentations

2021

September Lazarevič, Patrick, Marc Luy & Paola Di Giulio: Subjektive und objektive Gefährdungen der Gesundheit: Der Einfluss der Coronapandemie auf die subjektive Gesundheit [Subjective and Objective Health Threats: The Influence of the COVID-Pandemic on Subjective Health]. Munich: Herbsttagung der Sektion Alter(n) und Gesellschaft der Deutschen Gesellschaft für Soziologie (DGS) "Alter(n) in Zeiten von Katastrophen und Krisen" [Fall Meeting of the Section Age(ing) and Society of the German Sociological Association (GSA) "Age(ing) in Times of Catastrophes and Crises"] (accepted).

- September Lazarevič, Patrick: A Different Basis? Comparing Health Determinants of (Changes in) SRH Across Gender and Age. Online Conference: 10th International Conference on Social Science Methodology (accepted).
- September Lazarevič, Patrick: Contemplating Health: A Model of the Cognitive Process of Rating One's Health. Online Conference: 10th International Conference on Social Science Methodology (accepted).
- September Lazarevič, Patrick: Measuring Generic Health via the Minimum European Health Module: Does It Work and Is It Better than Self-Rated Health? Online Conference: 15th Conference of the European Sociological Association (ESA) (accepted).
- July Lazarevič, Patrick: Measuring Generic Health via the Minimum European Health Module: Does It Work and Is It Better than Self-Rated Health? Online Conference: 9th Conference of the European Survey Research Association (ESRA).
- June Lazarevič, Patrick, Martina Brandt & Marc Luy: Short Generic Health Measurement in Survey Research: Improving on SRH with the Minimum European Health Module. Online Conference: 25th Nordic Congress of Gerontology.
- February Lazarevič, Patrick & Martina Brandt: The Roots of Self-Rated Health: An Exploration of Its Comparability across Gender, Age, and Country. Online Conference: 4th World Forum of Sociology of the International Sociological Association (ISA).

2020

- August Lazarevič, Patrick: Measuring Generic Health via the Minimum European Health Module: Does It Work and Is It Better than Self-Rated Health? Uppsala: 18th Biennial Conference of the European Society for Health and Medical Sociology (ESHMS) (conference canceled).
- June Lazarevič, Patrick, Marc Luy & Martina Brandt: The Necessity, Feasibility, and Utility of Using the Minimum European Health Module to Measure Generic Health. Padova: European Population Conference (EPC) (conference canceled).
- June Luy, Marc, Paola Di Giulio, Vanessa Di Lego, Patrick Lazarevič & Markus Sauerberg: Is It Time to Reconsider the Relevance of Tempo Effects in Mortality? Padova: European Population Conference (EPC) (conference canceled).

2019

- November Lazarevič, Patrick, Martina Brandt & Marc Luy: A New Approach for Quickly Measuring Generic Health: Does the Minimum European Health Module Outperform Self-Rated Health? Vienna: Wittgenstein Centre (WIC) Conference.
- November Lazarevič, Patrick: Ein neuer Ansatz zur zeiteffizienten Messung generischer Gesundheit in Survey Interviews: Eignet sich das Minimum European Health Module als Basis? [A Novel Approach for a Time-Efficient Measurement of Generic Health in Survey Interviews: Is the Minimum European Health Module a Suitable Basis?]. Berlin: Nutzertagung des Deutschen Alterssurveys (DEAS) [User Conference of the German Ageing Survey (DEAS)].
- July Lazarevič, Patrick: Diagnoses vs. Discomfort: A Comparison of the Role Diagnoses and Biomarkers Play in Self-Rated Health. Zagreb: 8th Conference of the European Survey Research Association (ESRA).

- May Lazarevič, Patrick: What is Health? Self-Rated Health and (a Lack of) Measurement Invariance Across Age Groups. Gothenburg: International Association of Gerontology and Geriatrics European Region (IAGG-ER) Congress.
- January Lazarevič, Patrick: Measuring Status vs. Measuring Changes. Tel Aviv: Research Workshop of the Israel Science Foundation.
- 2018**
- October Lazarevič, Patrick: Rating Health and Rating Change: How Canadians Rate Their Health and Its Changes. Cracow: Mid-Term Conference of the Research Network Quantitative Methods (RN21) of the European Sociological Association (ESA).
- October Lazarevič, Patrick: Feeling What You Know or Knowing What You Feel: The Role of Diagnoses and Biomarkers in the Subjective Rating of Health. Cracow: Mid-Term Conference of the Research Network Quantitative Methods (RN21) of the European Sociological Association (ESA).
- September Kaschowitz, Judith & Patrick Lazarevič: Andere Messung, anderes Ergebnis? Die Bedeutung des Gesundheitsmaßes bei der Analyse der Gesundheitsfolgen von informeller Pflege. Cologne: Gerontologie und Geriatrie Kongress [Gerontology and Geriatrics Congress] 2018.
- September Lazarevič, Patrick: Biases in Assessing Subjective Health? How Non Health-Related Factors Affect Health Ratings. Brno: 4th Mid-Term Conference of the Research Network Ageing in Europe (RN01) of the European Sociological Association (ESA).
- August Lazarevič, Patrick: Challenges and Potentials of Self-Rated Health: Research on its Components, Comparability, Changes. Vienna: International Summer Workshop: Measuring Wellbeing and Health Based on Subjective and Objective Indicators: Approaches and Challenges.
- July Lazarevič, Patrick: Biological Influences on Health-Ratings: The Relationship of Biomarkers and Self-Rated Health and How It Differs Across Groups. Toronto: 19th World Congress of Sociology of the International Sociological Association (ISA).
- June Sauerberg, Markus, Vanessa Di Lego, Paola Di Giulio, Patrick Lazarevič & Marc Luy: Health Crisis or Tempo Effects? An Analysis of Decreasing Life Expectancy in the U.S. and Europe between 2014 and 2015. Brussels: European Population Conference 2018.
- June Lazarevič, Patrick & Amélie Quesnel-Vallée: Education and Self-Rated Health: Is Education Shaping Health Inequalities by Influencing How People Rate (Changes in) Their Health? Lisbon: 17th Biennial Conference of the European Society for Health and Medical Sociology (ESHMS).
- June Luy, Marc, Paola Di Giulio, Vanessa Di Lego, Patrick Lazarevič & Markus Sauerberg: Could the Actual Decrease in Life Expectancy be Caused by "Tempo Effects"? Ann Arbor: REVES @ 30: Past, Present, and Future Trends in Population Health.
- 2017**
- November Lazarevič, Patrick & Martina Brandt: Explaining Self-Rated Health: Do Age-Groups and People from European Countries Differ in How They Rate Their Health? Berkeley: 7th Interdisciplinary Conference and the Aging and Society Research Network.

- September Lazarevič, Patrick & Martina Brandt: Diverging Ideas of Health? Explanatory Factors for Self-Rated Health Across Gender & Age-Groups in Europe. Athens: 13th Conference of the European Sociological Association (ESA).
- July Lazarevič, Patrick: Satisficing and Errors in Reporting Pensions: How Do Difficulty, Ability, and Motivation Influence the Errors in Reporting Pensions Due to Old Age? Lisbon: 7th Conference of the European Survey Research Association (ESRA).
- July Lazarevič, Patrick: Rating Your Health: Examining Differential Item Functioning and Non-Health-Related Factors in Self-Ratings of Health. Lisbon: 70th Annual Conference of the World Association for Public Opinion Research (WAPOR).
- May Lazarevič, Patrick: Can Difficulty, Ability, and Motivation Explain Measurement Errors? Using the Theory Satisficing to Explain Measurement Errors in Old Age Pensions. New Orleans: 72nd Annual Conference of the American Association for Public Opinion Research (AAPOR).
- April Lazarevič, Patrick: Can Satisficing Explain Measurement Errors? Using Difficulty, Ability, and Motivation to Explain Measurement Errors in Pensions Due to Old Age. Mannheim: Frühjahrstagung der Sektion Methoden der empirischen Sozialforschung der Deutschen Gesellschaft für Soziologie (DGS) [Spring Meeting of the Section Methods of Empirical Research of the German Sociological Association (GSA)].
- March Lazarevič, Patrick: Methodological Difficulties in the Examination of Age(ing): The Influence of Methodological Artifacts in the Examination of Age(ing) Using the Example of Self-Rated Health. Institutskolloquium des Vienna Institute of Demography Colloquium of the Vienna Institute of Demography.

2016

- November Lazarevič, Patrick & Laura Unsöld: To What Extend Do Subjective Obstacles Influence Men (and Women) on Starting a Family? Louvain-la-Neuve: 42nd Quetelet Conference: Men's Perspective in Unions, Fertility and Parenthood.
- November Lazarevič, Patrick: Measurement Errors Due to Old Age? An Examination of Age-Specific Measurement Errors Utilizing SHARE-RV. Munich: Workshop on the Survey of Health, Ageing and Retirement in Europe (SHARE).
- October Lazarevič, Patrick: Reporting Your Pension: Determining the Role of Age-Specific Measurement Error in Reporting Pensions by Using Administrative Data. Nicosia: Midterm Conference of ESA RN 21: Data Quality in Quantitative Research.
- September Lazarevič, Patrick, Johannes Kopp & Anja Steinbach: Im Auge des Betrachters? Eine dyadische Untersuchung der ‚Intergenerational Stake Hypothese‘ und Implikationen für die Forschungspraxis [In the Eye of the Beholder? A Dyadic Examination of the 'Intergenerational Stake Hypothesis' and Implications for the Research Practice]. Bamberg: 38. Kongress der Deutschen Gesellschaft für Soziologie (DGS) [38th Congress of the German Sociological Society (GSA)].
- September Lazarevič, Patrick: Reporting Your Pension: Determining the Role of Age-Specific Measurement Error in Reporting Pensions by Using Administrative Data. Leicester: 9th International Conference on Social Science Methodology.
- September Lazarevič, Patrick: Rating Your Health: An Examination of Non-Health-Related Factors and Differential Item Functioning in the Self-Rating of Health. Leicester: 9th International Conference on Social Science Methodology.

- July Lazarevič, Patrick: Rating Your Health: An Examination of Non-Health-Related Factors and Differential Item Functioning in the Self-Rating of Health. Vienna: 3rd World Forum of Sociology of the International Sociological Association (ISA).
- July Lazarevič, Patrick: Die Bewertung der Gesundheit: Eine Untersuchung von nicht gesundheitsbezogenen Einflüssen und altersspezifischem Antwortverhalten bei der subjektiven Selbsteinschätzung der Gesundheit [Health-Ratings: An Examination of Non-Health-Related Factors and Age-Specific Response Styles in Subjective Self-Ratings of Health.]. Linz: Tagung Innovationen, Grenzen und Probleme sozialwissenschaftlicher Gesundheitsforschung [Conference on Innovations, Limitations, and Problems of Health Research in the Social Sciences].
- June Lazarevič, Patrick: Rating Your Health: An Examination of Non-Health-Related Factors and Differential Item Functioning in the Self-Rating of Health. Geneva: 16th Biennial Congress of the European Society for Health and Medical Sociology.

2015

- October Lazarevič, Patrick: Religiosität und Gender Ideologies: Eine Untersuchung des Einflusses von Religiosität auf Geschlechterrollenbilder [Religiosity and Gender Ideologies: An Examination of the Influence of Religiosity on Attitudes Towards Gender Roles]. Tübingen: 5. Studentischer Soziologiekongress [5th Student Congress of Sociology].
- March Lazarevič, Patrick, Johannes Kopp & Anja Steinbach: Im Auge des Betrachters? Eine dyadische Untersuchung der ‚Intergenerational Stake Hypothese‘ und Implikationen für die Forschungspraxis [In the Eye of the Beholder? A Dyadic Examination of the 'Intergenerational Stake Hypothesis' and Implications for the Research Practice]. Bremen: Frühjahrstagung der Sektion Methoden der empirischen Sozialforschung der Deutschen Gesellschaft für Soziologie (DGS) [Spring Meeting of the Section Methods of Empirical Research of the German Sociological Association (GSA)].

2014

- September Kümmerling, Angelika & Patrick Lazarevič: Gegenwart und Zukunft der Arbeitszeitmessung: Praxis der Messung und Verwendung von Maßzahlen [Present and Future of Working Time Measurement: Measurement Practice and Use of Derived Statistics]. Dortmund: 2. Symposium der Arbeitszeitgesellschaft [2nd Symposium of the German Working Time Society].

2013

- October Lazarevič, Patrick & Laura Unsöld: Neue Väter braucht das Land: Eine explorative Untersuchung der Hindernisse einer Vaterschaft [The Country Needs New Men: An Explorative Examination of Obstacles for Fatherhood]. Bamberg: 4. studentischer Soziologiekongress [4th Student Congress of Sociology].

Poster Presentations

2019

- May Lazarevič, Patrick: Status vs. Changes: How Respondents Rate Their Health Status and Its Changes. Barcelona: 31st REVES Meeting.
- May Lazarevič, Patrick, Martina Brandt & Marc Luy: A New Short Generic Measure of Health: Is the Minimum European Health Module an Option? Barcelona: 31st REVES Meeting.

April Lazarevič, Patrick, Marc Luy & Martina Brandt: A New Short Generic Measure of Health: Measuring Generic Health with the Minimum European Health Module. Austin: Population Association of America (PAA) Annual Meeting 2019.

April Lazarevič, Patrick & Martina Brandt: Diverging Ideas of Health? Explanatory Factors for Self-Rated Health across Gender, Age-Groups, and European Countries. Austin: Population Association of America (PAA) Annual Meeting 2019.

2018

July Lazarevič, Patrick: Changes in Health but not in the General Evaluation? The Sensitivity of Self-Rated Health to Changes. Lyon: European Congress of Epidemiology International Epidemiological Association (IEA).

July Lazarevič, Patrick: Biological Influences on Health-Ratings: The Relationship of Biomarkers and Self-Rated Health and How It Differs Across Groups. Lyon: European Congress of Epidemiology of the International Epidemiological Association (IEA).

2017

May Lazarevič, Patrick: Differential Item Functioning and Non-Health-Related Factors Due to Age in Self-Ratings of Health: Evidence from the Survey of Health, Ageing and Retirement in Europe. New Orleans: 72nd Annual Conference of the American Association for Public Opinion Research (AAPOR).

2014

September Lazarevič, Patrick & Laura Unsöld: The Influence of Subjective Obstacles for a Family Foundation: Which Obstacles Prevent Family Foundations, and to what Extent? Cologne: 4th International pairfam Conference on 'Linked' Life Course Transitions and Family Outcomes.

February Lazarevič, Patrick & Laura Unsöld: Kinder ja, nur nicht heute: Relevanz und Prävalenz subjektiver Hindernisse junger Männer bezüglich der Familiengründung [Children Yes, but Not Today: Relevance and Prevalence of Subjective Obstacles of Men Regarding Family Formation]. Berlin: 6. Konferenz für Sozial- und Wirtschaftsdaten (KSWD) [6th Conference for Social and Economic Data (KSWD)].

Teaching Experience

SuSe 2016 & 2017 Seminar: 'Vertiefung: Quantitative Methoden' [Specialization: Quantitative Methods]
TU Dortmund University: Master study program 'Alternde Gesellschaften' [Aging Societies].

SuSe 2016 & 2017 Supplemental tutorial: 'Vertiefung: Quantitative Methoden' [Specialization: Quantitative Methods]
TU Dortmund University: Master study program 'Alternde Gesellschaften' [Aging Societies].

WiSe 2016 Seminar: 'Empirische Analysen' [Empirical Analyses]
TU Dortmund University: Master study program 'Alternde Gesellschaften' [Aging Societies].

- WiSe 2015/2016 Seminar: 'Ausgewählte Themen der Alter(n)sforschung' [Selected Issues of the Examination of Age(ing)]
TU Dortmund University: Master study program 'Alternde Gesellschaften' [Aging Societies].
- WiSe 2015/2016 Seminar: 'Sozialstruktur' [Social Structure]
TU Dortmund University: Bachelors 'Journalistik' [Journalism], 'Lehramt Sozialwissenschaften' [Lectureship in Social Sciences], 'Angewandte Kulturwissenschaften' [Applied Cultural Sciences].
- WiSe 2014/2015 Seminar: 'Ausgewählte Themen der Soziologie alternder Gesellschaften' [Selected Issues of the Sociology of Aging Societies]
TU Dortmund University: Master study program 'Alternde Gesellschaften' [Aging Societies].

Affiliations/ Memberships

- Sections of
Deutsche
Gesellschaft für
Soziologie (DGS)
[German
Sociological
Association (GSA)]
- Alter(n) und Gesellschaft [Age(ing) and Society], Familiensoziologie [Sociology of the Family], Medizin- und Gesundheitssoziologie [Sociology of Medicine and Health] & Methoden der empirischen Sozialforschung [Methods of Empirical Social Research]
- Others
American Association for Public Opinion Research (AAPOR), European Survey Research Association (ESRA), Research Network Aging & Society, CorrelAid e.V.

Reviewing Activities

- Scientific Journals
Acta Sociologica, Applied Research in Quality of Life, BMC Geriatrics, International Journal of Environmental Research and Public Health, Journal of Aging and Health, Journal of Health and Social Behavior, Quality & Quantity, Vienna Yearbook of Population Research

Further experiences

Administration

- Since 05/2019 Organization of the Colloquium of the Wittgenstein Centre for Demography and Global Human Capital (WIC)
- Since 05/2019 Organization of the Internal Seminar of Wittgenstein Centre for Demography and Global Human Capital (WIC)
- 11/2014–03/2017 Re-accreditation of the master study program 'Alternde Gesellschaften' [Aging Societies] at TU Dortmund University

Volunteering

- 11/2016–04/2018 Pflasterpass gGmbH (<http://www.pflasterpass.de>)
- Tasks
Examination of Google Analytics data; conceptualization and analysis of a survey regarding interest for educational videos about first aid for children aged 4–8
- Since 11/2016 Member of Data-for-Social-Good organization CorrelAid (<http://www.correlaid.org/>)

Internships

12/2013 – 04/2014 Institute of Economic and Social Research (WSI) of the Hans-Böckler-Foundation in Düsseldorf, Germany – department 'Empirische Strukturanalysen' [Empirical Analysis of Structures]

Advisors Helge Baumann & Wolfram Brehmer

Main task Collaboration in the projects 'Effekte von Zielpersoneneffekten in der WSI-Betriebsrätebefragung' [Effects of Switching the Target Person in the WSI Works Council Survey] and 'Erwerbsunterbrechungen durch Elternzeit' [Employment Interruptions Due to Parental Leaves]

Software
