| Since June 2012 | <p>Research Scientist at the Wittgenstein Centre, Vienna Institute of Demography (VID)/Austrian Academy of Sciences (OEAW)</p> <ul style="list-style-type: none">• Research area: partnership and fertility at the individual and aggregate level<ul style="list-style-type: none">- Trends in fertility intentions and fertility by level of education in selected European countries- Partnership dynamics and fertility (collaboration with Maria Winkler-Dworak)- Late fertility in Europe• Funding June 2012-Dec. 2015: ERC Starting grant EURREP (Fertility, reproduction and population change in 21st century Europe, PI: Tomáš Sobotka)• Funding Jan. 2016-Dec. 2017: FWF stand-alone project (Running against the Clock, PI: Isabella Buber-Ennsner, 25% of time)• Parental leave Nov. 2016-June 2017 and Dec. 2017-March 2018 (12 months)• <i>Funding Jan. 2019-Dec. 2021 at Wirtschaft Universität: FWF stand-alone project (Later fertility in Europe, PI: Eva Beaujouan)</i> |
| June 2009-May 2012 | <p>Research Fellow at the ESRC Centre for Population Change, University of Southampton, UK</p> <ul style="list-style-type: none">• Research area: analysis of change in fertility and partnership behaviour<ul style="list-style-type: none">- Compilation and weighting of the CPC GHS database, 1979-2009 (http://discover.ukdataservice.ac.uk/catalogue?sn=7666)- Study of aggregate family trends, childlessness, fertility intentions• Funding: Economic and Social Research Council "Centre for Population Change" http://www.esrc.ac.uk/research/our-research/centre-for-population-change-cpc/ |
| Nov.2005-Sept. 2009 | <p>PhD student in demography, Université Paris I Panthéon-Sorbonne - Institut National d'Études Démographiques (Ined), France</p> <ul style="list-style-type: none">• Research topic: partnership and fertility behaviour after a first union break-up• Supervisor: France Prioux (Ined, Université Paris I); tutor: Laurent Toulemon (Ined)• Defense on the 17th of September 2009, mention très honorable avec les félicitations du jury |

- Funding December 2005 to February 2006: research assistant at Ined, Organization of the Family and Employers Survey databases (Insee-Ined, 2005)
- Funding March 2006 to May 2009: **Ined doctoral fellowship**

Research stays

- Oct.-Nov. 2017 (2 months) **RSSS visiting fellow**, School of Demography, College Arts & Social Sciences, Australian National University (ANU), Canberra, Australia
- Research Topic: Late fertility in Australia and Austria
 - With Anna Reimondos, Edith Gray and Ann Evans
 - Partial funding: **ANU's Visiting Fellowship Scheme**
- 2007-2008 (1 month) **Dondena Centre for Research on Social Dynamics and Public Policy**, Bocconi University, Milan
- *MicMac* European Forecasting Project
 - Application of transition age profiles to family and fertility events in France
 - With Roberto Impicciatore, Francesco Billari and Laurent Toulemon
 - Funding: European Commission under the 6th Framework Programme
- 2006-2007 (6 months) **Max Planck Institute for Demographic Research (MPIDR)** - Rostock
- Winter School
 - Main course: Advanced event history analysis (MP302, Hill Kulu)
 - Others: Presentation skills and Theory of fertility and family dynamics
 - Funding: MPIDR **IDEM winter semester fellowship**

Teaching activities

- 1999-2000 (1 semester) Teaching assistant: mathematics and statistics for undergraduate students in economics (Paris I)
- 2007-2011 Occasional lectures on partnership and fertility trends in France and Europe (Idup-Université Paris I; Ensaie; University of Southampton)

Scientific training

- IDEM115 2016 (MPIDR Rostock, partial funding by the Max Planck Institute for Demographic Research)
- Demographic Applications of Bayesian Models
- QMSS2 summer school 2010 (Bristol, participation funded by the European Science Foundation)
- Advanced methods for the analysis of complex event history data
- Réseau de formation doctorale en démographie (2005 to 2008, participation funded by Paris 1 School of Geography)
- Theoretical training on household and family (Louvain-la Neuve); Multilevel analysis, MLwin (Ined); New skills for information research (Ined)
- Ined – Paris (2005 to 2008)
- R freeware (Statistical methods service SMS); Spad, data mining et data quality management (SMS); “Writing scientific articles in English”; Theory and application of longitudinal surveys (Statistics Canada)

Previous employment history

2000-2005 (5 years)	Junior consultant - SERVAC, consulting and actuarial firm specialized in social protection <ul style="list-style-type: none">• Public or compulsory retirement schemes: forecasts of members, entitlements and reserves, advice on reform options and decision-making aids• Social coverage: general organization and financing
2000 (2 months)	Analyst assistant - Ministry of Agriculture <ul style="list-style-type: none">• Statistical analysis of the distribution of State funding released for transportation of trees blown down during the 1999 storm.

Education

2009	Ph.D. in demography , Université Paris I Panthéon-Sorbonne - Institut National d'Études Démographiques (Ined), France
2004	Master pro Expert démographe - Institut de Démographie de l'Université Paris I (Idup) <ul style="list-style-type: none">• Thesis: follow-up study of student cohorts in Picardie, 2004, demographic analysis of access to and completion of education levels, supervised by Marlène Lamy (Cridup).
2000	Master in Modelling and Mathematical Methods in Economics - Université Panthéon-Sorbonne, Paris I <ul style="list-style-type: none">• Master-thesis: Non-vacuity of the core in an economy with increasing returns, 2000, general equilibrium theory, supervised by Jean-Marc Bonnisseau (Cermsem).
1996-1999	BSc and first year MSc in Mathematics Applied to Social Sciences , option Economics - Université Panthéon-Sorbonne, Paris I
