

Job ID: ACDH-CH119TEC221

The Austrian Centre for Digital Humanities and Cultural Heritage ([ACDH-CH](#)), a research department of the Austrian Academy of Sciences ([OeAW](#)), Austria's leading non-university research institution, is seeking a

SYSTEM ADMINISTRATOR (F*M)

(10-40h per week)

You will join an internationally networked team, pursuing research at the intersection between information and communication technology and humanities studies. Your work will support the developers in deploying and maintaining server applications based on diverse technologies using Docker and Kubernetes as well as securing the data produced by research projects using them.

Your tasks

- configuration of deployment setups
- development of git based continuous deployment workflows especially from GitLab and GitHub
- supporting our development teams establishing such workflows

Your profile

- expertise in server administration
- knowledge of continous deployment (e.g., but not limited to, using GitHub actions or GitLab Auto DevOps)
- expertise in deployment of applications in dockerized environments
- a high degree of social competence and delight in working within a bustling team

Optional assets

- expertise in deployment and administration of applications on Kubernetes
- experience with persistence systems (relational, XML, object-oriented databases, graphstores, triplestores)
- knowledge of web technologies, javascript/nodejs, python, php or java
- familiarity with research infrastructures, federated identity management, cloud computing

We offer

- an international, inclusive work environment in a diverse team in the heart of Vienna
- work with unique cultural heritage data in cutting edge collaborative research settings
- a strong focus on innovation and new technologies in a multidisciplinary field
- flexible and family-friendly working hours
- self-determined work
- an environment to grow your interests and develop your skills
- an open communication culture / open door policy
- emphasis on open source and open data principles

The initial monthly gross salary is € 2.963,64, based on a full-time employment, in accordance with the collective agreement for employees of the Austrian Academy of Sciences. Based on your experience and qualification the salary can be negotiable. The employment will start at the earliest in December 2021 and run initially for 12 months, with the option to extend.

Please send your application including a CV, a statement of motivation and references of previous projects) via e-mail to acdh-ch-jobs@oeaw.ac.at, mentioning Job ID: ACDH-CH119TEC221, **no later than October 31, 2021**.

The Austrian Academy of Sciences (OeAW) pursues a non-discriminatory employment policy and values equal opportunities, as well as diversity. The OeAW lays special emphasis on increasing the number of women in senior and in academic positions. Given equal qualifications, preference will be given to female applicants.
