

Job ID: ISR124DOC120

The **Institute for Urban and Regional Research (ISR)** of the Austrian Academy of Sciences ([OeAW](#)), Austria's leading non-university research and science institution, is offering a

PHD STUDENT POSITION (F*M)

(part-time / 30h per week)

starting at February 1, 2020.

Your duties:

- Composing a doctoral thesis (preferably cumulative)
- Participation in research projects and support in project proposals within the research group "Innovation and Urban Economy" (main emphasis on real estate and urban development)
- Contributing to the thematic and organisational planning of the OeAW Summer School „[Urban Housing in Central and Southeastern Europe](#)“
- Providing IT support for ISR staff

Your profile:

- Completed university qualification (Magister/Master) in Geography or a related field with emphasis on socio-spatial research (spatial research, spatial planning, ...)
- Specialisation in urban research, with an emphasis on economics and business or (residential) real estate; interest in urban development in south-eastern Europe
- Previous experience in scientific research and/or appropriate professional experience
- Proficiency in quantitative (spatial) data processing (Excel, SPSS, ArcGIS, QGIS, ...)
- Excellent proficiency in German and English
- Team orientation, creativity, independence

Our offer:

- An interesting and varied field of activities in the innovative environment of a scientific institution
- The opportunity of pursuing further scientific qualification (doctoral studies)
- Period of appointment is 1 year, with the possibility of an extension
- An annual gross salary acc. to collective agreement of (min.) € 30.878,40

We are looking forward to receiving your convincing written application (covering letter, curriculum vitae, certificates of qualification, list of publications, and a concept document of your planned doctoral dissertation of no more than three pages). Please submit these electronically by **December 20, 2020** at robert.musil@oeaw.ac.at, mentioning Job ID ISR124DOC120.

The Austrian Academy of Sciences (OeAW) pursues a non-discriminatory employment policy and values equal opportunities, as well as diversity. The OeAW lays special emphasis on increasing the number of women in senior and in academic positions. Given equal qualifications, preference will be given to female applicants.
