

Job ID: OeAI061PD123

The Austrian Archaeological Institute, Department for Prehistory & West Asian/Northeast African Archaeology (OeAI) of the Austrian Academy of Sciences (OeAW), Austria's leading non-university research and science institution, is offering a

POSTDOC POSITION (F/M/X)
in Neolithic Archaeology
(full-time, 40h per week)

The successful candidate will be part of Prof. Barbara Horejs' research group "Prehistoric Phenomena". The successful candidate is expected to conduct a study on *Spatial Analyses of Neolithic activities at the excavation site Svinjarička Čuka aiming socio-cultural modelling and functional interpretation*.

Your tasks:

- Cooperation in the development of new projects in Southeast Europe and/or West Asia
- Participation in ongoing and future projects and field work of the research group »Prehistoric Phenomena«
- Assistance in leading the research group and its organization
- Preparation and organization of research group meetings
- Quality control and quality assurance of the research group's data pool
- Maintenance of digital bibliographies, publication repositories, and long-term data archiving/repositories
- Editorial assistance of research group related publications
- Scientific assistance of the research group leader
- Furthermore, it would be beneficial if the candidate has supervised students, coordinated teams, as well as demonstrated a clear input in field work.

Your profile:

- PhD in prehistoric archaeology with experience in settlement/site analyses
- Substantial knowledge of the Neolithic archaeology in southeast Europe and the adjacent regions
- Experience in field work and willingness to extend this ability to ongoing and future excavations
- Abilities and willingness to participate in international and interdisciplinary co-operations as well as publication activity
- Abilities and willingness to successfully develop and submit projects for third-party-funding
- Fluent command of English (knowledge of German will be an asset)
- Excellent IT Knowledge (MS Office, Zoom, Adobe, GIS etc.)
- Driving license (B)

Our offer:

- Excellent opportunities to work in a lively research environment and collaborate with international experts in the fields related to the research group.
- An annual gross salary of € 60.926,60, according to the collective agreement of the Austrian Academy of Sciences
- We offer this position for a period of 6 years

Applications in English include (1) a curriculum vitae, (2) list of publications, (3) 2-page statement of the applicant's research and how it fits within the group Prehistoric Phenomena, (4) certificates of academic degrees, and (5) two names of references with their e-mail and phone contact. Please send your application in PDF format to oeai-personal@oeaw.ac.at (mentioning Job ID: OeAI061PD123) **no later than July 14th, 2023**.

The Austrian Academy of Sciences (OeAW) pursues a non-discriminatory employment policy and values equal opportunities, as well as diversity. Individuals from underrepresented groups are particularly encouraged to apply.
