

Who came riding first? Le chevalier or the knight?
A multiple corpus analysis investigating historical
language contact

Yela Schauwecker and Carola Trips
University of Stuttgart, University of Mannheim

4 text corrections:

1. "achievment" [replace by:] "achievement"
2. Bsp (1): "(a'" [move to:] "In French, the same construction (a')..."
3. "always" [replace by:] "usually"
4. "languages[" [space missing, search for "languages\cite"] 5. in examples (2) and (3), references are given twice (delete one of them).
